LONG HALLOWEEN – Part 2

On 28th October 2017, the White Eagles Wargames Club will be hosting their latest Batman Miniatures Game tournament, which will be using the BatMatch rules from Knight Models.

The aim is to provide a highly enjoyable day of both fun and competitive gaming, if this event is a success we hope to run more in the future, so fingers crossed! It's also a great way of bringing the local player community together.

To help us make this a fantastic day for involved, please remember that although this is a competitive event - the overall aim of the game is to have fun. We all want to win when playing in competitive events, but it is important to remain calm, relaxed and friendly.

Our very own Wonder Boy (or should that be Boy Wonder?) Matt will once again be running the event and, will be on hand to help with tight decisions and clear up any rules queries – please remember that his word is final.

Tickets for the April Fools tournament are £10.00 and can be paid for with PayPal.
